

R. Darrel Davis
Evangelist
Foundation Ministries

Darrel Davis was reared in a rural farming community in northeastern North Carolina. He was saved at age 24 and accepted the call to ministry shortly thereafter. God began to use him to reach people with the gospel through supply preaching and teaching. In 1998, God clarified Darrel's calling by pointing him toward full time evangelism.

In 1999, he and his wife Penny started Foundation Ministries Evangelistic Association, Inc. for the purpose of reaching the lost with the good news of Jesus Christ. Since that time, he has ministered in 9 different countries and 12 different states. He has ministered in churches, prisons, schools, on college campuses, at go kart tracks, on the street, in conferences and retreats and in many other contexts.

In addition, he has served as interim pastor in 6 Churches in northeastern North Carolina.

Darrel is a graduate of Chowan College and has a Bachelors Degree in Religion. He has served as president of the Southern Baptist Vocational Evangelists of North Carolina and is a member of the Next Generation Alliance, sponsored by Luis Palau. His ministry has been endorsed by the North American Mission Board.
